StyleLite®

**SETTING A HIGH STANDARD**

XTREME StyleLite® doors provide a far superior surface finish compared with laminates, two pack or vinyl. With the use of state-of-the-art polyurethane reactive edge banding machinery and ABS colour matched edge, a near seamless appearance can be achieved, allowing us to deliver the most advanced high-gloss doors in the industry.

StyleLite® is an Australian made premium **Ultra high-gloss** finish board that is fully **recyclable**. StyleLite® provides a deep high-gloss mirror like surface without ripples or orange peel, StyleLite® is UV and colour fade protected to combat harsh Australian conditions. StyleLite® will not chip or delaminate but most of all is easy to clean and maintain making it the preferred choice for Interior Designers, Architects and Kitchen Manufacturers.

StyleLite® is laminated using a world class polyurethane reactive hot melt bonding system allowing us to deliver unsurpassed adhesion that is highly resistant to heat and moisture.
